

BAY AREA AIR QUALITY MANAGEMENT DISTRICT  
SUPPLEMENTAL APPLICATION– REVISED March 30, 2006

**AIR QUALITY PERMIT TECHNICIAN I – Engineering Division**

Open: March 20, 2006

Close: April 17, 2006

**Instructions:** Please respond to each of the following questions below. Please limit your responses to one page per question. This information may be used to determine those applicants with the most directly related experience, education, and training to continue in the selection process. **Please do not combine your responses or reference your application, resume, or any other requested documentation that you have included with your application packet to answer a question.**

Please be advised that the information you provide will be evaluated “as is” and incomplete or illegible applications will likely receive lower ratings. Therefore, it is very important to provide a concise, organized, and easy to follow response to each question.

1. Please describe your education that qualifies you for this position. Include your area of study and any degrees or certificates received. If you did not receive a degree, provide the total number of semester units you achieved. Also note any additional coursework or formal training applicable to this position.
2. Please describe your experience in processing air quality permits. Provide a description of the regulations, types of permits and examples of specific activities you conducted.
3. Please describe a challenging experience interacting with technical and support staff on a permit or environmental program. Include a description of the program and its purpose as well as your specific role and responsibilities.
4. Please describe a challenging experience interacting with members of the public on other permit or environmental programs. Include a description of the program and its purpose as well as your specific role and responsibilities.
5. Do you possess a valid California Driver’s License? ☐ Yes ☐ No

*Please return this signed form with your responses attached to your application.*

I certify that the information provided on all application materials is accurate and complete to the best of my knowledge. I understand that any falsification may cancel any terms and conditions, or privileges of employment.
